Public Records Request Form

The Tennessee Public Records Act (TPRA) grants Tennessee citizens the right to access open public records that exist at the time of the request. The TPRA does not require records custodians to compile information or create or recreate records that do not exist. There is no cost to inspect records unless it takes more than one hour to produce the records. Records can be reviewed during regular business hours from 8:00 a.m. – 4:00 p.m., Monday through Friday. The Public Records Request Coordinator shall provide an estimate of the reasonable costs to produce the requested records. The Tennessee Office of Open Records Counsel Schedule of Reasonable Charges shall be used to determine the reasonable cost of the request. Please see [Board Policy 1.407](#) for more information on public records requests.
