

Johnson + Bailey Architects P.C. was founded in 1975 by Charles M. Johnson Jr. AIA and James H. Bailey III AIA. R. Lyle Lynch AIA, and James Pettit AIA were admitted as partners in 1999. The firm's offices are located in Murfreesboro, Tennessee.

J+B's staff consists of four (4) registered architects, one (1) intern architect, and 4 support staff.

J+B has designed all new schools, additions and renovations constructed by Murfreesboro City Schools (MCS) since 1979. The new MCS schools designed by J+B are:

NORTHFIELD ELEMENTARY
BLACK FOX ELEMENTARY
CASON LANE ACADEMY

SIEGEL ELEMENTARY
SCALES ELEMENTARY
JOHN PITTARD ELEMENTARY

Notable schools designed for Williamson County Schools (WCS), Rutherford County Schools (RCBE) and other area school systems include:

BLACKMAN HIGH SCHOOL - RCBE
RAVENWOOD HIGH SCHOOL - WCS
INDEPENDENCE HIGH SCHOOL - WCS
FRANKLIN HIGH SCHOOL - WCS
SUMMIT HIGH SCHOOL - WCS
CHRIST PRESBYTERIAN ACADAMEY
SPRING STATION MIDDLE SCHOOL - WCS
TW HUNTER MIDDLE SCHOOL - SUMNER COUNTY SCHOOLS
SUNSET MIDDLE SCHOOL - WCS
PEARRE CREEK ELEMENTARY - WCS
CLOVERCROFT ELEMENTARY - WCS
BLACKMAN ELEMENTARY - RCBE
BARFIELD ELEMENTARY - RCBE

J+B has received awards for the design several local schools, including Northfield Elementary, Ravenwood High School and John Pittard Elementary, from the Tennessee School Board Association, Masonry Institute of Tennessee, and the Tennessee Society of Architects.
