

Skyward Family Access 2016-17 Registration Update for Returning Students

How do I to complete the Registration Update?	How do I obtain a Family Access Account?
<p>Registration update is done through your Skyward Family Access account using a browser. Registration cannot be completed through the mobile app.</p> <p>For best results, complete registration using a non-mobile device.</p> <p>Select Go to 2016-17 Registration Update for Returning Students.</p> <p>If you have more than one student, complete the registration for each child individually.</p> <p>At any point in the process If you need help, you can contact us. Click the Contact Us link to email your issue.</p>	<p>An email was sent recently to all parents/guardians with the link to Family Access as well as temporary login information. If you did not receive this information, please contact your student's school to obtain this information.</p> 

Saving and Completing	
<p>For each step, complete the required information and select complete step.</p> <p>Select the next step in the process using the menu on the right.</p> <p>You must complete each step in the registration process. When a step is complete you will see a green check mark.</p> <p>You can complete everything at once or in parts. You can click Close and Finish Later if you need to come back to the process.</p>	

Submitting	
<p>The last step will allow you to review your information and select Submit 2016-17 Registration Update for Returning Students.</p> <p>After submitting, you receive a confirmation message. You can review your information and if needed, make changes.</p>	

Corrections	
<p>Remember to check Family Access regularly for messages in case corrections are needed.</p>
