**NOTES:**

Text in *italics* are days out of school.

PS stands for Primary Source. Many of the primary sources are in the textbook within the chapter or in the front of the book.

Standards **6.22** and **6.44** require a writing product. These standards will need to stretch over the entire chapter after the material is introduced.

Standards are spiraled from week to week when the chapter continues across weeks.

© means that the lesson is continued for at least 2 days.

TNReady window is April 16-May 4. Depending on when TNReady is scheduled, there could be another week for review.

There is an introduction for every chapter in the textbook, however if you would like to use your own text/primary source feel free to do so.
