Staff Time Schedules

Workweek Defined

Working hours for all employees not exempted under the Fair Labor Standards Act, including secretaries, bus drivers, cafeteria, custodial and maintenance personnel, will conform to federal and state regulations. The Director of Schools will ensure that job positions are classified as exempt or non-exempt and that employees are made aware of such classifications. Supervisors will make every effort to avoid circumstances which will require non-exempt employees to work more than forty (40) hours each week. For purposes of compliance with the Fair Labor Standards Act, the workweek for school district employees will be 12:00 a.m. Sunday until 11:59 p.m. Saturday.

Work Schedules

The workday for full-time licensed and professional staff will be a minimum of seven hours and thirty minutes (450 minutes) and will continue until professional responsibilities to the student and the school are completed. Administrative meetings, curriculum development, student supervision, assigned duties, parent conferences, group or individual planning and extra-curricular activities may require hours beyond the stated minimum. When a school has activities beyond the school day and teacher participation is needed, these hours will be distributed as equitably as possible among the faculty.

Teachers shall be allotted an individual duty-free planning period of two and one-half (2 1/2) hours each week to provide time for planning, preparation for effective teaching and attention to major program improvement. Work schedules for other employees will be defined by the Director of Schools or their designee, consistent with the Fair Labor Standards Act and provisions of this policy.

Overtime and Compensatory Time

The Board discourages overtime work by non-exempt employees. A non-exempt employee shall not work overtime without the express approval of their supervisor. All overtime work shall be expressly approved in writing by the Director of Schools or their designee. All supervisory personnel shall monitor overtime on a weekly basis and report such time to the Director of Schools/designee. Principals and supervisors shall monitor employees' work, ensure that overtime provisions of this policy and the Fair Labor Standards Act are followed, and ensure that all employees are compensated for any overtime worked. Principals or supervisors may need to adjust daily schedules to prevent non-exempt employees from working more than forty (40) hours in a workweek. Accurate and complete time records of actual hours worked during the workweek will be recorded by each employee and submitted to the Assistant Superintendent for Human Resources and ESP. The Assistant Superintendent of Finance and Support Services will review work records of employees on a regular basis to make an assessment of overtime use.

In lieu of overtime compensation, non-exempt employees may receive compensatory time off at a rate of not less than one and one-half (1.5) hours for one hour of overtime worked, if such compensatory time is: (1) pursuant to an agreement between the employer and employee reached before overtime work is performed, and (2) authorized by the immediate supervisor.

Employees will be allowed to use compensatory time within a reasonable period after requesting such use if the requested use of the compensatory time does not unduly disrupt the operation of the school district. Employees may accrue a maximum of sixty (60) compensatory time hours before they will be provided overtime pay at the rate earned by the employee at the time the employee receives such payment. In addition, upon leaving the school district, an employee must be paid for any unused compensatory time at the rate of not less than the higher of (1) the average regular rate received by the employee during his/her last three (3) years of employment, or (2) the final regular rate received by the employee.

Non-exempt employees whose workweek is less than forty (40) hours will be paid at the regular rate of pay for time worked up to forty (40) hours. Such employees shall be provided overtime pay or compensatory time as provided for working more than forty (40) hours in a workweek.

Attendance Expectations

All employees are expected to be present during all work hours. Absence without prior approval, chronic absences, habitual tardiness or abuses of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

Three consecutive absences without reporting will be considered voluntarily quitting.
