

MCS PARENT UNIVERSITY
PRESENTS

“Frightfully Fantastic Fluency” (Reading)

Wednesday, October 30th @ 4:30pm

Have a student in grades 3-6? Want to know how to help them improve in reading? Then this Zoom is for you!

Join MCS Reading Coordinator, Dr. Cathy Pressnell, as she shares quick, easy, research-based strategies families can use to support readers - at home, in the car, or wherever you might be after school. No complicated materials or fancy supplies are needed. Just grab a pencil, a notebook, and join this frightfully fantastic fun!
