

To Whom It May Concern:

Please be advised that all children attending the Murfreesboro City Schools Pre-K Programs are required to submit a negative TB test result if they were born in the countries identified under:

RULES OF THE STATE BOARD OF EDUCATION

OFFICE OF THE COMMISSIONER

CHAPTER 0520-12-01 STANDARDS FOR SCHOOL ADMINISTERED CHILD CARE PROGRAMS: (pg. 29)

All children born in countries other than the United States, Canada, Western Europe, Australia, New Zealand, and Japan shall present evidence of a tuberculin skin test performed in the United States at any time after twelve (12) months of age. Any child with a positive tuberculin skin test shall be referred to a physician for evaluation. After the initial evaluation, future periodic screening is not required unless the child develops persistent pulmonary symptoms or there is contact with tuberculosis.

We appreciated your assistance in providing the required test and documentation so that your child may attend our program.

If you have further questions or concerns, please contact us at preschool@cityschools.net.
